NIMMI[®]

The Art of Hardware

Our Story

NIMMI's journey began in 1991 as a small family-owned business, rooted in values of integrity, customer service, and trust among stakeholders. Since then, we've grown and adapted while staying true to our founding principles.

The bond with our loved ones inspired the creation of NIMMI, named after our founder's cherished daughter. NIMMI embodies our commitment to passion, creativity, and continuous improvement in our dedicated work.

Backed by numerous patents and an unrelenting drive for innovation, we aspire to be an integral part of every modern home's doors and furniture.

Why NIMMI

NIMMI range of furniture and architectural hardware stems from a legacy of over three decades in the industry. Harnessing our extensive experience and technical expertise, we craft world-class products tailored for the needs of Indian consumers and woodworkers. NIMMI components adorn the kitchens, wardrobes, and doors of over a million homes-reflecting the widespread trust and choice of discerning consumers.

Our Values

Market Leadership

As pioneers in our home region, we're dedicated to maintaining our position as market leaders. Whether through innovative product development or strategic market penetration, this commitment serves as a driving force, inspiring us to consistently invest renewed effort and push our boundaries.

Stakeholder Growth & Prosperity

Our stakeholders encompass our employees, the woodworking community, and business partners. Upholding a commitment to ethical business practices, we ensure everyone receives their fair share of the organization's growth.

Customer Satisfaction

Customer satisfaction is at the heart of everything we do at NIMMI. From service and delivery to product quality and response times, our efforts are geared towards maximizing customer contentment. Recognizing that our relationship extends beyond product sales, we maintain a dedicated customer care line to interact, gather feedback, and continually enhance our offerings.

World class products

At NIMMI, our pursuit is to craft innovative and enduring products, destined to withstand the test of time. We focus on creating aesthetically appealing solutions that seamlessly blend with convenience, making installations hassle-free for woodworkers.
